

Glass House Mountains State School

Dear parents and carers,

I hope that all of our families are well. Thank you for working with us over this tricky start to the school year. As discussed in the previous letter, the government have delayed the commencement of the school year for two weeks and so we will commence formal learning on 7 February. Therefore for the next two weeks, we will have a limited number of staff onsite to supervise the children of our essential workers and vulnerable students.

To help us to manage staff numbers onsite, please find below the survey link for those families who need to send their children to school during the first two weeks. We would appreciate that you fill in the days you require supervision for your child/children and list all students who will attend on those days.

<https://survey.qed.qld.gov.au/n/eiOhA1M>

Thank you for your support of our school. We are really trying to ensure we are creating a safe, supportive environment, keeping our students and staff as safe as possible. We are very much looking forward to welcoming everyone back to school on Monday, 7 February.

Kind regards,
Gabrielle
