

GHUMI'S

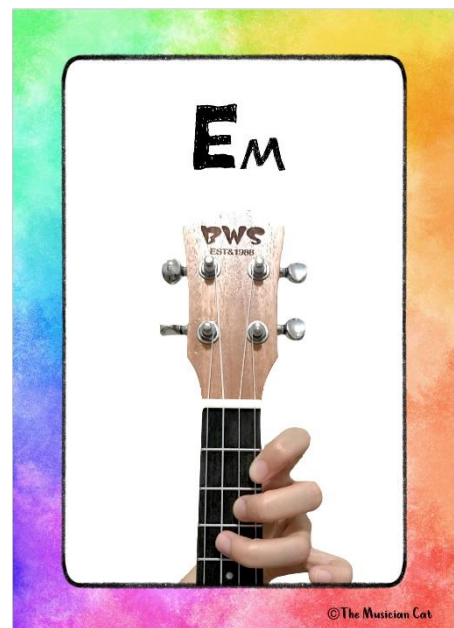

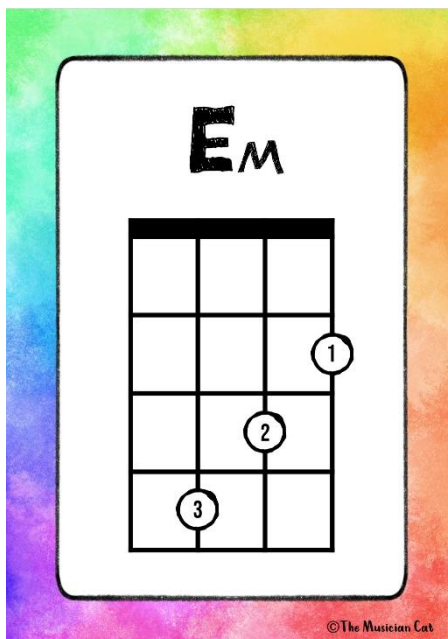

Term 4

Week 2

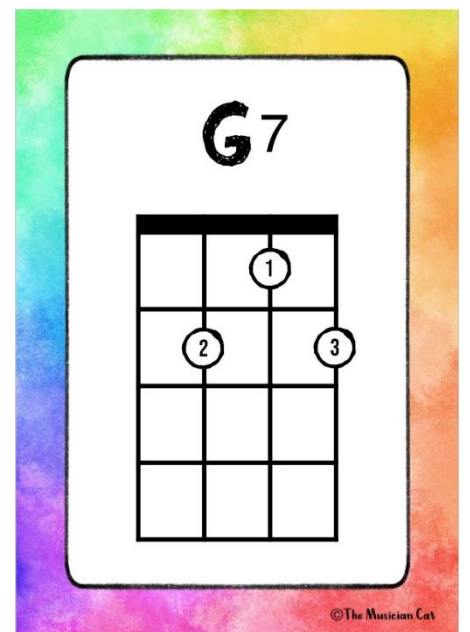

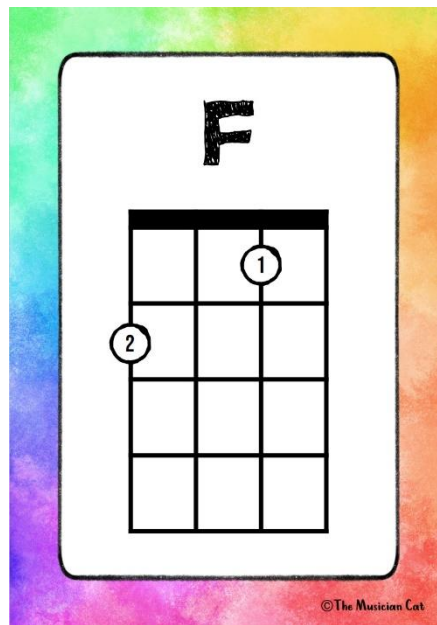

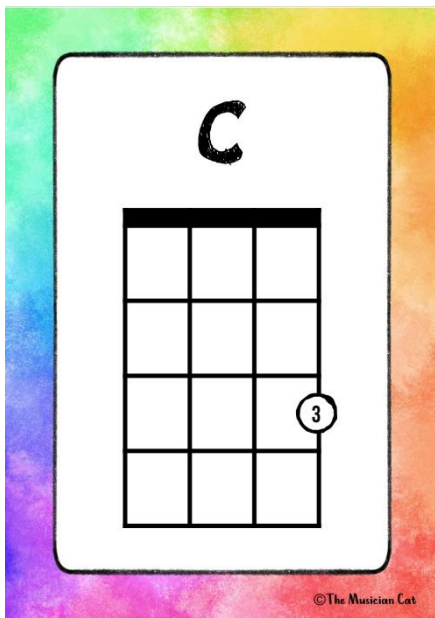

Hi everyone,

We will be focusing on our song again this week. Practice, practice, practice.

I am going to put a new chord in for you though. It's an Em. A tricky chord. Its in the shape of steps up the frets.

It is a popular chord that is in a lot of songs with the chords you have learnt, so it is an important one.

Please note that this is an edited version of the song. Reprint out if you need to.
