

GHUMI'S

Term 4

Week 1

Dear Ghumi's,

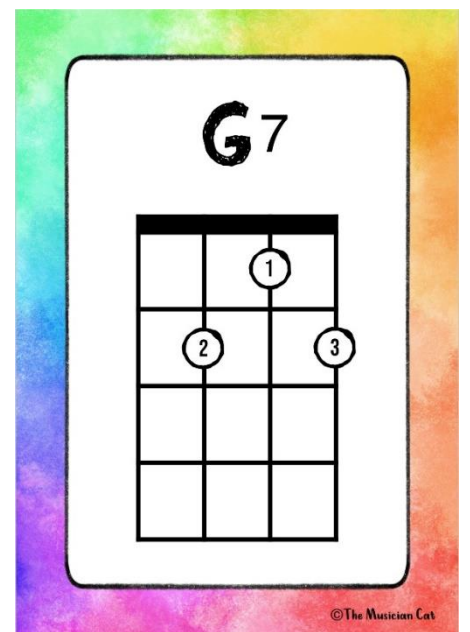

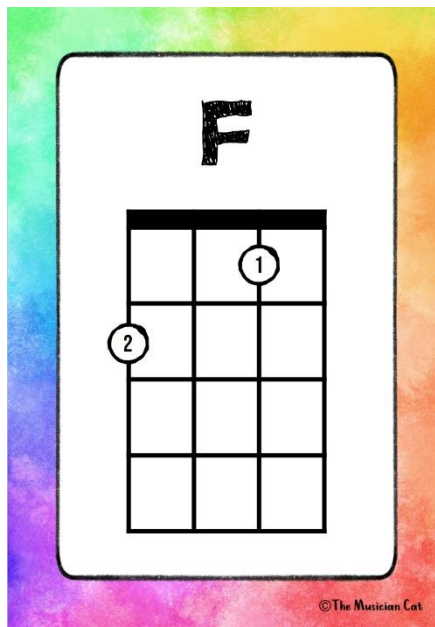

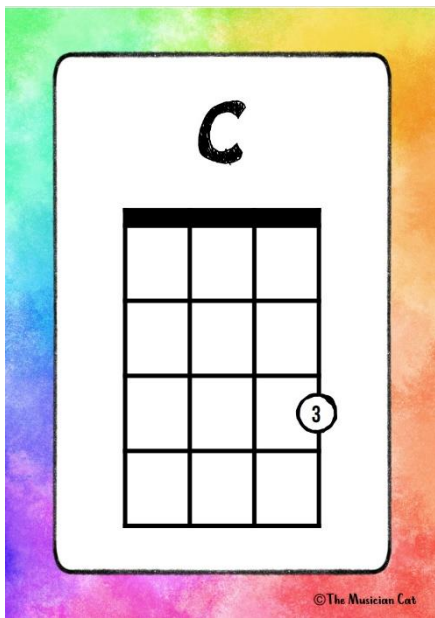

Thank you to the people that joined me in the park over the holidays. I know it was a tricky time for families and I will try another one after school one afternoon. We had a great morning practicing our song and having a play as well. This week we just practiced our song. The biggest problem I can see is that the children are having trouble keeping up to the tempo. We found at the park if we played the beat with a shaker, it was easier to keep the beat. You can help them by using a pen on the table to tap the beat as they play the chords. I would like them to start playing from the sheet of music which you can download from the school website.

Practice singing as well as it is tricky to play and sing!

Thank you for all your effort!

See you next Tuesday. Happy strumming everyone!
